

Name Surname

[your.username@mail.com] :: +38(012)-345-67-89 :: Earth, Universe

[https://github.com/\[your username\]](https://github.com/[your username]) :: [https://www.linkedin.com/in/\[your username\]](https://www.linkedin.com/in/[your username])

Skills

WRITE, YOUR, HARD, SILLZ. *Soft skills:* YOUR, SOFT, SKILLZ.

Education

[name of university or college] / [start year] - [end year]

- Bachelor in [what] ([start year] - [end year])
- Master in [what] ([start year] - [end year])

Experience

[your position you were working] @ [some company], [some city] / [start date] - [end date]

Tell what you were doing there in couple of sentences, highlight some cool projects you did.

Worked with: List technologies or skills you have used doing your job.

Volunteering

[your position] @ [some project], [some city] / [start date] - [end date]

Tell what was about and some cool stuff that can be valuable for your future job.

Interests

Just tell what you like to do, this may help a bit for HR to have more questions about your life when you don't work.
